YOUR TEAM.
YOUR LEGACY.
MAXIMIZING PERFORMANCE
Dear <Salutation>,

It is that time of year again when we gear up for another exciting season of Florida State Softball. The team is coming off another historic season in which we reached the College World Series for a second time in the last four years. While we fell just short of our ultimate goal of bringing a national championship back home to Tallahassee, our student-athletes are more motivated than ever and ready to return to the biggest stage. We also know that none of this would be possible without the unwavering support of our Coaches Club members and everything they grant us with their generous contributions.

In order to maintain the championship-level performance that has now become an expectation within the program, we rely on our fans. That is why I am asking that you renew your support of Florida State Softball by becoming a Coaches Club member for the 2021-2022 season. The resources and support we receive give us the winning edge and expectation within the program, we rely on our fans. That is why I am asking that you renew your support of Florida State Softball by becoming a Coaches Club member for the 2021-2022 season. The resources and support we receive give us the winning edge and allow our student-athletes to achieve their goals on the field, in the classroom, and in their personal lives.

We take pride in being a family and our chapter club members are an extension of our softball family. We are thankful for the time spent supporting us in person and grateful for the financial support in fulfilling the dream behind the game. We love a culture of joy in supporting FSU from the field, in our dugout and proudly in the stands. Thank you for your loyalty to the Seminole Softball family.
