REVENUE

MEMBERSHIP

"We love our donors and rely heavily on them for our team's success! Without the help of boosters, we would not be able to afford the high level technologies we use such as WHOOP and Kinexon to help train our team. We not only love the financial support of our donors but also loved getting to know and have our donors heavily attend our home events. Tallahassee is becoming a tough place to play due to our incredible fans!"

COACH BROOKE NILES

FUNDS SUPPORTED

- Upgrades to our golf cart
- Oakley Sunglasses
- Charter flight back from the conference championship, allowing us to quickly turn around and compete at the NCAA Tournament

2025
