**REVENUE**

**MEMBERSHIP**

*“The NCAA is continuing to make changes and our fans and donors are needed for their impact toward our continued success at the national level. The ACC is currently the top volleyball conference in the country and the competition continues to be at a high level. Florida State Volleyball has finished in the top two of the ACC in nine of the past 16 seasons. Since 2008, we’ve averaged 23 wins a season with a Tully Gym record of 199-34. Our fans make a difference at game time. The NCAA has increased our scholarship limit and we will add four scholarships this summer to 16 total. Your generous contributions to our program allows us to cover the extended scholarship numbers on our team.”*

## FUNDS SUPPORTED

- Foreign Tour-once in a lifetime experience for these players
- Teraflex game court which was HUGE especially for recruiting and recovery
- TSA Precheck-allows for better flight options to expedite security and get to and from away games
- Summer School
- Charter Flights
